Assessment Policy Brief

This policy ensures academic integrity and adherence to the institution’s educational standards. All students are advised to maintain regular attendance and perform consistently in their assessments.

1. Attendance Requirement

Students who accumulate more than 20% absence in a module will be barred from examinations. A retake of the affected module is mandatory with a re-module fee imposed.

2. Assessment Criteria

To pass a module, a student must meet the following requirements:

- A minimum score of 50% in the Module Project.
- An overall passing score of 50%.

3. Supplementary Assessment for Final Project Failure

1. If a student meets the minimum attendance requirement and passes the internal assessment but fails the Final Project, they will be recommended to resubmit the Module Project.
2. This resubmission will be considered a *supplementary assessment*.
3. The maximum grade awarded for a supplementary assessment is D-.
4. A re-examination fee applies.
5. A student is not allowed to resubmit a second Project to get a better grade if the first Project has obtained a Pass Grade.

4. Retake Requirement for Internal Assessment Failure

MAGES Grade Point Based Grading system

1. If a student meets the minimum attendance requirement but fails the internal assessment, they will be barred from attempting the Final Project.
2. They will be required to retake the module.
3. A re-module fee applies.
4. A student is not allowed to retake the internal assessment to get a better grade if the original assessment has obtained a Pass Grade.

5. Supplementary Assessment Limit per Module

A student is allowed only **one supplementary assessment per module**. If the student fails the supplementary assessment, they must retake the entire module when it is next offered.

6. Exemption

A student may have module(s) that are exempted as a result of the same or equivalent module(s) studied previously in another course within MAGES and has obtained a minimum Pass Grade.

A student may have module(s) that are exempted as a result of the same or equivalent module(s) studied previously in another School. Refer to the Transfer of Credits Policy.

If a student wishes to apply for exemption of module(s) in the course that he/she enrolls for, the exemption application must be done before course enrolment.

7. Process of Re-exam/ Re-subject

A student may request a Re-exam or Re-subject for a project/examination. Fees for each failed subject for Re-exam or Re-subject are outlined in section C Miscellaneous Fee of the Student Contract.

Overall GPA Calculation :

Weighted GPA = *(Total GPA Score / Total Course Credit) round up to 2 decimal places*

Note: Students who graduated from MAGES prior to the February 2025 intake were assessed using the Pass / Fail / Credit / Distinction grading system.

The Grade Point Average (GPA) grading system is implemented for students enrolled from the February 2025 intake onwards.
